To our valued Tidewater real estate professional,

My family started Droll's Xpress over 12 years ago to fill a need in the Tidewater real estate market. Service! We have been working tirelessly ever since to maintain a level of quality and care missing in our shared business. Here are some reasons Droll's Xpress stands apart from the rest:

- On-staff Virginia Land Title Association certified title examiners, trained in both commercial and residential title abstracting (over 25 years experience!);
- On-staff licensed underwriter authorized signatory for Fidelity National, Old Republic, First American, Stewart Title, Chicago Title and WFG Title (over 25 years experience!);
- Four on-staff recorders covering all of Hampton Roads with late pick-ups when requested (all with over 11 years experience);
- Prompt turn-around times on all title search requests and underwriting;
- Personal one-on-one service with any of our staff, including the company owners

I would welcome the opportunity to answer your call or e-mail regarding anything our company can do to help your company grow in this competitive market.

I realize your time is valuable and appreciate your consideration. I look forward to hearing from you.

Sincerely,

Clinton J. Droll
